1 INT. ABOUT ME - MORNING

Born in the Twin peaks like mountains of Wales, I'm an award winning film director specialising in cinematic narratives that are imaginative and ambitious, always striving to find the heart in all of my stories. Fearlessly creative I have worked throughout Europe for global clients and consider myself lucky to have experience directing everyone from film and television actors to athletes and rock-stars to celebrity chefs and young children.

2 INT. PRIMARY SKILLS - AFTERNOON

ALUN (Voice-Over)

Highly creative visual storyteller.

Experienced with directing both actors and non actors. I also very much enjoy working with children.

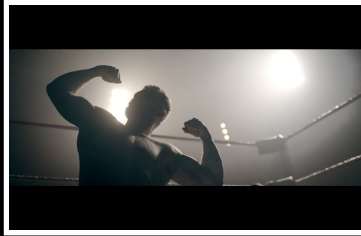

Experienced at creating responses to client briefs and treatments for agencies. Also accustomed to dealing directly with clients on sales pitches or productions.

Experienced in both higher-end filmmaking and smaller, low budget affairs.

I genuinely care.

5 INT. HOBBIES - DREAM SEQUENCE

I am an obsessive cinema fanatic and, when not making them, spend most of my free time watching and discussing films. I also study various martial arts, love music and ride a motorcycle. Fast*

*I am probably the slowest motorcyclist alive.
