Freelance Videographer

Company Name - CE Video
Jan 2017 – Present
London, United Kingdom

Video production, filming and editing for a wide variety of projects including:

- Events
- Press Days
- Weddings
- Award Ceremonies
- Promotional Videos
- Social Media Content
- Fashion and Catwalk
- Charity work

Skills gained from my time being a self employed videographer include a proficiency with various camera equipment and editing software such as Final Cut Pro. I have had to write, direct, film and edit various projects that has given me confidence in my abilities. I have a great amount of experience in a one man production workflow however I take pride in my inter personal skills and so would also do well working as part of a larger team.

Videographer / Photographic Editor

Company Name - JAB Event Photography
Apr 2014 – Nov 2017
London, United Kingdom

General office management, photographic editing and video production. Design and development of company websites and marketing and sales implementation.

- Photo editing on Lightroom, Aperture and Photoshop
- Video editing on Final Cut Pro and Premier Pro
- Website design and development with Wordpress
- Sales, marketing and office management
- Liaising with clients

Internship

GQ Magazine
Dec 2013 – Jan 2014
London, United Kingdom

During my time at GQ magazine I gained valuable experience operating within one of the most prestigious publications in the country. I was tasked with researching for and gathering content for the publication as well as general assistance around the office and between the other Conde Nast publication offices.
