## PERSONAL STATEMENT

I'm an editor, motion graphics/visual effects artist and sound designer, and am an Adobe Certified Expert in Premiere Pro CC and After Effects CC. I have worked on documentaries, short films, fashion shoots, corporate videos and features. As a tutor and editor for the London Academy of Media Film & TV, I also edited over a hundred show reels for actors and TV presenters. I have also worked on set as a self-shooting director, camera operator, sound recordist and assistant director, and have experience with a wide range of cameras and their formats, including the Blackmagic Cinema Camera, Panasonic AC160 and various Canon DSLRs.
