Summary

I am a lighting/editing cameraman with clients such as, Sky Sports, EA Sports, ESPN, Input Media, Vidoo Ltd and also corporate clients such as Blindeye Productions, BP, Hyundai and ITN Productions. These jobs have offered a variety of different tasks, including lighting and shooting one on one interviews, shooting and editing a package or location shooting around the world.

I have my own lighting kit and regularly shoot on Panasonic P2 and Sony F5/FS7/A7Rii. I have two Go Pro cameras and edit on Premiere Pro CC.
