Ruth Miskin Training

RE: Junior Editor, Posted On 21st April

Dear Shona Gleave,

In my search for new creative endeavors, I am thrilled to find the Junior Editor opening with Ruth Miskin Training. As an ambitious professional with video editing experience, I believe that I would make an excellent addition to your team.

Identifying improved approaches and enhanced solutions to business challenges are activities that drive and inspire me. Community, encouragement, and self-reflection are my framework for success. I believe that when minds connect and discourse takes place innovation and meaningful conversations are natural outpourings of that.

In working as a freelance Video Producer I have worked hard to hone my essential project management and team work skills. I have developed strong problem-solving abilities and fostered a reputation as a key contributor through communication and critical thinking skills. Through these skills I have been able to adapt and succeed in a range of roles, wearing many hats.

For a greater illustration of my background and qualifications, please review my enclosed resume. I am eager to speak with you about this opportunity and thoroughly appreciate your consideration.

Sincerely,

David Hoddinott
