Summary

I am highly motivated polyvalent **director** and **video** editor, with **over 10 years of experience** using Final Cut Pro, adobe premiere and after effect.

I have a **broad experience in TV** from editing and directing to production management. As well as solid **freelance expertise** as I have spent the past 5 years setting up, developing and working for my own production company. Most recent projects were focused on corporate videos and game shows for clients such as Diageo, Orange, BNP Parisbas, Reunion Première amongst others.

On a more creative level I am **passionate about writing** and have directed a series of short movies on different themes from fiction to documentaries.

I am **hard working, dynamic and driven** - my strengths include delivering brilliant results under pressure, my can do attitude and ability to inspire and engage others.
