Owner Dmazi Glass Studio

I run a glass studio and design glass murals for interior designers and private commissions. I use stained glass, fusion and sand blasting techniques for my creations. I have taken part in various exhibitions. I work on big scale and my glasswork can be seen in hotels, restaurants, venues, homes and cafes around Corfu.

2004-2015

Manager Victoria Martini Creative Events

I have been organizing exclusive weddings as a 1st assistant for a wedding planner, Victoria Martini. My duties were to decorate the venue places to client's expectations. Organising and leading the catering, bars, musicians and staff according to plan and resolving any problems that might occur.

2002-2017

Teacher Art Workshops for Adults & Kids

Teaching is something I love. My main age group has been children (age 5-12), I have also worked with children with special abilities. I try to find ways to explore art through fun, teaching them different techniques by using many different materials and by exploring this I promote art history learning.

2008-present

Founder OSCS Organization of Stimulating the Civil Society

This is a non profit organisation which puts together various art projects such as festivals, art and craft markets and exhibitions in public spaces. I am the project manager for these projects, planning event structure, fundraising, managing workload for volunteers, artists and other staff.
