About Me

I am a Media Production student currently finishing my final year before entering into a year of Film and TV Production to further improve my knowledge of videography and video editing. My goals in the media industry are to create content in the form of music videos, advert campaigns and video content for social media.

Over the summer I will be filming and editing for Oshi London's release of their summer campaign and their subsequent winter campaign, alongside the video work I will also be in charge of the photography with the aim of telling a story in 30 seconds or less.

Experience

- Filmed and edited a promo video for Oshi London's social media campaign (more on the way)
- Photography for Oshi London's social media campaign and website
- Filmed and edited DeeRiginal's music video Changin
- Photography for DeeRiginal
- Worked as part of a team for the "I'm a soldier" campaign show on BBC points west.

Skills

- Videography
- Video editing
- Photo editing
- Colour grading
- Skilled and experienced using Adobe creative cloud.
- Work well as part of a team
- Very good at quality control

Past clients and projects:

I'm a soldier (Campaign video for A student Samet) shown on BBC points west (worked as part of a group).

Equipment

I have my own high-end equipment that can be used for videos and photography and an editing machine.

Panasonic Lumix GH5 (4K 60) (120p) slow motion

Lumix 10-25mm

Moza Air stabilizer for smooth footage

Nanlite Forza 60 light and other lighting equipment including softbox

MSI P65 Creator laptop
