VOLUNTARY WORK AND INTERESTS

23RD SEPTMEBER 2017- PRESENT

HYDE PARK PICTURE HOUSE – *Kiosk*
• I work at the Kiosk selling confectionary.
• **Skills:** Communication, retail, efficiency

DECEMBER 2014 – MAY 2016

WAGGY TAILS CLUB – *Volunteer working with special needs teenagers.*
• I was a weekly volunteer working with special needs teenagers, teaching them reading, communciation and social skills
• **Skills:** Communication, ability to adapt within different social groups, empathy, patience.

2012 – 2014

CREATING ARTWORK –
• Between the ages of 14 to 16 I created and sold original cityscapes amongst the expat community in Singapore.
• I displayed them on my own website (That I designed and created).
• I also donated two originals to auction for charity at my school gala. These sold and raised a total of £925 for charity.

OCTOBER 2012

CHAING MAI VOLUNTEERING WORK –
• Through my school, I volunteered at a home that supported single mothers in bad living situations.
• I Learnt and helped make bracelets that the women sold to support them selves. On returning to Singapore, my class set up a community service project making and selling bracelets, to raise money for these women.
• After a year we raised over SG\$1000, which was enough to buy two computers for the children at the home.
• **Skills:** Open-mindedness, communication, team building skills

OCTOBER 2013

CAMBODIA VOLUNTEER WORK –
• I volunteered through my school in Cambodia. Here I visited an orphanage, to spend time reading, and playing with the children. These children would later attend a newly built school funded by my school in Singapore.
• **Skills:** Open-mindedness, communication, team building skills
