# Personal profile Jake Kindred

## Filmmaker & Camera Operator

### INTRODUCTION

Video and cinema has been a passion of mine from a young age. Fast forward, I am an experienced filmmaker and camera operator working on a variety of projects. With strong skills and competence in key areas of video production, I am a valuable asset to any technical or creative team with great leadership and practical abilities. I have worked at an international level in countries such as Iceland, Malta and even Chernobyl! I am a fully qualified UAV drone operator within the specific and open categories.

### EXPERIENCE

#### Filmmaker / Camera Operator | Freelance

*2014 - Current*

Experienced, creative and technically-minded Camera Operator and Director of Photography working mainly with short-form content, events and broadcast.

#### Shooting Producer | DRP Group

*June 2021 - April 2022*

Production and location team leader on visual content retainer account, valued at over £750,000 annually. Predominantly responsible for directing and camera operating on various shoots for clients including film, broadcast and live stream. Operating various cameras and systems including Sony, Canon, RED plus more and also lighting for various different scenes and scenarios. Contributing and working within creative sessions, storyboarding, shot listing, locations recce and more.

#### Video Producer | Bauer Media Group

*January 2017 - June 2021*

Production of video content across Bauer's portfolio. Overseeing production of video, from strategy and conceptualisation through to script, shooting and final edit. Hands on filmmaking both on location and in studio environment. Leading a small in-house team and freelancers for outsourcing content requirements where needed.

### SKILLS

I am an advanced operator on a range of tools and cameras from dedicated cinema cameras such as RED, Arri, Sony, Black Magic to basic DSLR and more.
