## PERSONAL

**Name:** Jordan Rawi  
**Date of Birth:** 3rd April 1994  
**Place of Birth:** London, England  
**Citizenship:** British  
**Gender:** Male

## PERSONAL STATEMENT

I am a recent *Film* graduate looking for work as general crew or camera trainee. In the next few years I hope to gain industry knowledge, working with professionals and to progress further as a trainee to eventually find work within camera departments, possibly as Camera Operator or DOP.

Over the course of 3 years I worked on several short films taking on roles behind the camera as well as writing and directing. Whilst this breadth of experience was extremely valuable, I naturally gravitated towards visual practices. I learnt how to work as part of a crew, embracing collaborative work in all artistic fields and adapting to new and challenging environments.

Since graduating I have focused on developing my showreel/portfolio with a more specialised approach, expanding on my camera skills.
