PROFILE

Hello! I'm Milena and I am a freelance video producer/motion graphics animator, with 4 years experience and passion for storytelling and visualizing. Art has always been a major part of my life and as a result, my creativity manifested itself in many forms. This passion led to my discovery of surface design which is where I have found my niche. I would like to work in creative environment, where I can contribute with my creativity, passion, motivation and dedication in creating video content. I am self-motivator, innovative and creative thinker and fast learner.
