## Personal Profile

I am a self-disciplined and reliable CG animator with a good knowledge of Maya. I enjoy assisting others with projects and demonstrate good team work skills. I'm very passionate and enthusiastic about any type of animation and determined to succeed in anything I put my mind to.

## Software Skills

Advanced	Autodesk Maya, Adobe Photoshop, Adobe Premiere
Intermediate	Adobe Flash, Autodesk Softimage, Microsoft Word, Microsoft Power Point
Basic	Soundtrack Pro, Final Cut Pro, Autodesk Mudbox, Adobe After Effects

## Achievements

### ENO (English National Opera) 2014

Was involved in a group project to produce a short animation based on the opera The Indian Queen.

### The Old Operating Theatre 2014

Made a short animation for their November exhibition.

### The Gooner Ramble. 2013

Made an Arsenal podcast design cover in Itunes.

### Stone Computer Award for multimedia. 2009

Making a one-minute abstract animation for my final year project at college.

### Cross Rail Award for designing a train seat. 2007

Made a train seat for business class, also made one for standard class and did a model sheet.

## Education
