October 2018 - December 2019 **Digital Content Producer - The Mix Charity**
Creating video/photo and project managing for *The Mix*'s campaigns, creating optimised video for social and managing multimedia content on social channels. Create engaging ads and collaborating with influencers to engage them in our content strategies and grew our organic social following from 50k to 120k in six months. Included video/photo production, social management, optimising SEO and Google Analytics.

January 2018 - October 2018 **Multimedia Producer - The Organic Agency**
The role included managing client video projects and creating each video/photo content for brands *Physicool* and *The Body Shop*. The role also included in-house promotional content (staff headshots and creating pitch videos) and re-branding *The Organic Agency* social feeds with new lifestyle content.

June 2018 - April 2019 **Freelance Video Producer - BBC Three**
Creating two short documentaries for BBC Three's social channels - Facebook, Twitter and YouTube. Entire process from pre-production (storyboards, shot lists and risk assessment), production (directing interview and camera operation) and post-production (editing and colour grading).

OTHER WORK

Short Film Director - *Exeter Phoenix, Exeter*

Awarded the Film Commission by Exeter Phoenix in 2017 to create the short film '*Before I Go*'. The film won multiple awards at festivals worldwide including '*Best Film*' and '*Best Director*'. View the film: vimeo.com/scottstevens/beforeigo
