I am a graduate from the University Of Portsmouth and I achieved a first class honors degree, in Television & Film Production, which is a Skill Set certified course. Specializing in Cinematography, lighting & Video Editing, I have recently been awarded 'best short film' and 'Excellence in Post Production' at my end of University review, as well as winning the 'Outstanding Fiction' at the Fareham International Short Film Competition. I have experience within the camera and lighting department's on both feature film, short film and music video production.

I have worked with various different clients under different degrees of pressure. I have strong communications skills, a very positive attitude, and bring high energy and a 'can-do' attitude to any project.

I have experience of many HD Camera Models ranging from the Arri Alexa, Arri Amira, C300, Sony F5, C100, EX3, EX1 and DSLR cameras, including on-location lighting and I am competent with different lighting set ups.

Experienced Avid media composer video editor (4 years) in which I have worked for various different clients to a strict schedule at a professional level. Competent with Ingests and exports on various different formats as well as having a keen and creative eye within colour grading and colour correction. I own Avid media Composer 7 & Base Light colour grading software. Competent with Adobe Premiere Pro and the Adobe creative suite.
