York, Yorkshire, UK

## EXPERIENCE

### FREELANCE TRICASTER OPERATOR & VISION MIXER

Feb 2015 - Present

#### TRICASTEROPERATOR.CO.UK

Worked on a number of Live Broadcasts and TV programs for production companies and studios in the UK. Also continuing to work on corporate projects in the UK and Europe on the NewTek Tricaster platform. Able to offer a full package of Tricaster 460, camera and audio equipment hire in addition to daily rate when required.

### MANAGING DIRECTOR

Nov 2014 - Present

#### THE MOBILE STUDIO COMPANY

Successfully re-branded VirtualStudio.TV to create a new business with a greater focus on the production of video content at client offices using a portable green screen studio and the NewTek Tricaster platform. Other services include Live Streaming, Event Filming and Conventional Video Production for companies such as Siemens, NHS and Edelman.

### MANAGING DIRECTOR

June 2010 - Oct 2014

#### VIRTUALSTUDIO.TV

Co-founder of a video production company that specialised in the production of Corporate Videos, Video Newsletters and Virtual Events using the NewTek Tricaster platform. Worked directly with clients in the UK and USA such as Microsoft, Thermo Fisher Scientific and The Cambridge University Press.

## CERTIFICATIONS & EDUCATION

### NEWTEK

Aug 2015

#### NEWTEK CERTIFIED TRICASTER OPERATOR

Passed the official NewTek examination to become a Certified Operator on the Tricaster TriCaster 410, 460, 860 & 8000 systems.

### BA (HONS) DEGREE

Sept 2005 - Aug 2008

#### NEWCASTLE UNIVERSITY

Achieved an Upper Second-Class Honours (2:1) Degree in Marketing and Management from Newcastle University.
