Experience

Producer & Editor

Global Eagle / 2013 - Present

From concept to completion I produce, script and edit the onboard promotional material for Emirates Airline, including entertainment highlights and duty-free promos, delivering around 20 videos each month. Supervise a motion graphics designer and oversee brand development. Also manage a junior producer in Dubai office and visit frequently to meet clients and represent my department.

I direct talent including VO artists and more recently direct small shoots with well-known personalities.

Other clients include Air New Zealand, Singapore Airlines and Hawaiian Airlines.

Editor

Fender Custom Shop / 2018 - Freelance

Briefed to edit a collection of interviews featuring the Custom Shop Master Builders discussing and practising their craft. The finished video played as part of a presentation during the Fender roadshow sales tour.

Media Officer

Roehampton Student Union / 2012 - 2013

Hired to establish a video production presence within the students' union.

Produced, shot and edited promos across many aspects of university life including fundraisers and music events.

Provided assistance and guidance to help student interests.

Editor
