

Struan Wallace

10+ YEARS EXPERIENCE

FS7 OWNER / OPERATOR

I'm a freelance lighting cameraman & editor based near London with 10+ years videography experience.

During my career I've worked on a wide range of shoots including corporate videos, multi-camera events, Charity, promos, instructional & product videos, Web series programmes along with lighting and shooting hundreds of interviews & PTCS.

Prior to my freelance video career, I spent 15 years as Advertising photographer running my own studio in London where I shot for large clients such as Coke-Cola and Sainsbury's, Johnnie Walker and many Agencies and editorial clients.

I own a Sony PXW-FS7 Camcorder with full shooting kit including lights, sound etc. For full details take a look at my equipment list.

I also edit using Premiere Pro and I am available
