## ABOUT ME

D.O.B : 28th April 1989

Adress : 5 Rochford Walk  
London  
United Kingdom

I am a French videographer fascinated by visual art. I am creative, energetic and multi-skilled in video production. Over the years I have gained invaluable experience and insight into video project management. This has given me the skills to deliver high impact, unique messages within my work, whilst also fulfilling client expectations.

## EXPERIENCE

2013 X-treme video

AUDIENCE DEVELOPER & VIDEO EDITOR FOR YOUTUBE NETWORK

I project managed a full series of 12 webisodes, from the video editing to the marketing & promotion of the series. My other responsibilities included Youtube channel management and audience development.

13-15 TheTallTom

FREELANCE PHOTOGRAPHER & VIDEOGRAPHER

I have worked commercially in food photography with a number of well-known restaurants in London. The role was client facing so helped develop my communication skills. I worked closely with clients to manage expectations and deliver high quality results that received excellent feedback. In addition, I was involved in video editing and filmmaking - mainly in extreme sports but also in both advertising for businesses and events.
