## EXPERIENCE

### Etnia Filmes — 2018/2019

Video Editor, Motion Designer

Having all sort of clients, under Etnia Filmes umbrella, I have collected experiences of how to help clients with all kinds of needs, from Food Franchises to Design & Build Contractors.

### Freelancer — 2017/2018

Filmmaker

I have produced and directed a commissioned documentary concerning new educational methods. Produced, directed and edited an institutional video for one of the biggest retail sellers in my home town, Sapolatti.

### Orion Filmes — 2015/2016

Director, Video Editor, Motion Designer

As a Co-Owner of Orion Filmes, I got involved in all steps of filmmaking, from Screenwriting to Post-production, helping to develop and run a company focused on eccentric content and a unique story telling style, promoting online engagement between client and target.

- We achieved 81% of growth in comments and 32% of growth in views at our top client Facebook videos, Sá Cavalcante's Shopping Centres.

### Sá Cavalcante — 2014/2015

Junior Video-maker

I have assisted in new marketing actions and digital strategy as it relates to the Shopping Centres owned by Sá Cavalcante. Moving from a TV video marketing audience to a full web marketing engagement.

- We achieve a 20% reduction in production cost
- Accelerated traffic flow by 10% through successful use of Instagram, Facebook and YouTube with the intern marketing team.
